

## Solutions by Sector:

# Professional Services

If you work in the 'professional services' sector, selling advice or informed opinion, you will be expected to provide a quality service within the accepted standards of your profession. However, despite your best efforts, training and research, mistakes can happen, and if it is found that the advice you provided was out of date, incorrect or not communicated effectively, the consequences for you and your business could be costly and devastating.

Robison & Co are experts in providing well thought out, competitive insurance solutions to those in the professional services sector. Our experienced brokers will help you recognise the risks and tailor an insurance package that will respond to situations such as breach of contract, professional negligence and other civil liabilities.

As your business and risk evolve we will review your cover so that it continues to provide you with complete peace of mind.

## Here's 8 Reasons to Talk to Robison & Co...

# 1

**We're specialists in providing insurance solutions for professional services:** we understand your needs, know the questions to ask to ensure your business is adequately protected, and can help you avoid common areas of risk.

# 2

**We are particularly experienced in providing Professional Indemnity insurance solutions and work with a wide variety of professionals including, solicitors, accountants, surveyors and architects.**

# 3

**We only offer bespoke, boutique insurance solutions:** reflecting your evolving business needs and minimising current future risk.

# 4

**Bespoke doesn't have to mean expensive:** our tailored approach to insurance means you will no longer pay for cover you don't need.

# 5

**We're on your side:** we're easy to work with, customer-focused and have the best interests of your business at heart.

# 6

**Guided, individual claims management:** nobody wants to make a claim, but should the worst happen, we'll help you to keep things simple.

# 7

**We'll provide industry-specific resources which offer guidance relevant to your business:** Health & Safety, compliance, workplace policies, employee wellbeing.

# 8

**We'll access a wide range of industry-specific insurance partners to find your best fit:** our extensive panel of mainstream and niche insurance partners give us the flexibility to find policies that most effectively minimise your risk.

## **The Robison Difference: Challenging Convention. Keeping Insurance Simple**

INSURANCE BROKERS

  
**Robison**  
Challenging Convention

### **Every business needs insurance, but policies saturated with small-print can be a minefield to navigate.**

This is why selecting the right broker to act on your behalf is essential to minimising your risk and protecting what you have built.

You need trusted, intelligent advisors who understand your sector and can provide professional, perceptive guidance in straightforward, easy to understand terms. You need people who make the process of buying insurance simple, whilst providing peace of mind that you, your business and your people are adequately protected.

What's more, as your business evolves, you need your insurance cover to evolve with you. Policies which offered satisfactory protection in the past may now leave you exposed, creating areas of risk which could easily be avoided by talking to our highly-trained experts.

**Established in 1982, we are an independent, owner-managed business, with a focus on exceeding customer expectation and engendering trust. Our reputation has been built on providing bespoke advice and exceptional service which delivers comprehensive coverage, value for money, and customer confidence.**

Not only will we identify the right coverage for your operational requirements, but should you need to make a claim, we will guide you through the process and keep your interests paramount at all times.

### **In short, we make insurance simple.**

Why not let us concentrate on minimising your risk, so you can concentrate on running your business?
